Take Advantage of Beekley Medical's Inventory Management Tools

Our team can work with procurement to set up ordering information in your system. Prearranged shipping services, no backorders, same or next day shipping, no restocking fees, and open communication are all part of our commitment to you.

Your healthcare system may have Beekley Medical in their system as an approved vendor. We have over 30 years of experience selling into the hospital market and are a leading vendor within the radiology department.

Elequil is available to purchase directly from Beekley Medical or **Cardinal Health™**, **Owens & Minor®**, **McKesson®**, and **Medline®**.
