

As an employee at our
healthcare facility, we care
about your well-being.

We offer complimentary Elequil aromatabs[®]
on days you may need a little help to feel better.

Please use one at a time, one of your colleagues may need one too.

- ~ lavender-peppermint to help relax during pain, calm anxiousness, and soothe queasiness
- ~ lavender or lavender-sandalwood* to help you relax and provide comfort
- ~ orange-peppermint to uplift, energize, or soothe queasiness

Elequil aromatabs offers:

- ~ 100% pure essential oils
- ~ hands-free aromatherapy that adheres to scrubs or clothing
- ~ personal aromatherapy that is discreet
- ~ lasts 8 hours or more
- ~ can mask unpleasant odors

Simply tear the packet at MIN or MAX exposure
and adhere to your lapel.

To purchase Elequil aromatabs[®] for personal use, visit elequil.com

*Lavender-Sandalwood lasts up to 24 hours
